- The committee will research records; review resumes presented and make sure all qualifications and requirements have been met. The committee may ask for additional assistance in researching records.
- The committee will be responsible for writing inductee biographs for inclusion in the State Program.
- Any TTA member wishing to place the name of a Texas shooter in nomination should provide a resume in writing and present it to the HOF Chairman or one of the HOF committee members. All resumes will be kept on file for a period of 7 years and will be considered each year. Resumes should include:

 2. A shooter must have participated for at least fifteen years in ATA registered competition
 3. The 15-year rule may be waived for a deceased shooter
 4. No one may self-nominate; rather, a nominee must be nominated by a TTA member
 5. No person may be inducted while serving on the Hall of Fame Committee.
- All Hall of Fame inductee names will be listed each year in the State Shoot program
